SEED Governing Board Report

February 6, 2024

January just flew by!

We have been learning about subjects such as hibernation and Groundhog Day. We've made some amazing crafts touching on those subjects.

Painted snowflakes made from salt, cardinals on a branch and painted tree shadows are among the other beautiful crafts that the children have created.

January 26 was our Sport Life ped day. The day started out with a lot of energy entering the gym with music and special lighting. It was great to see the children so involved in the atmosphere that was created. The animators did a wonderful job entertaining our children and getting them involved during the day.

In February, we have two ped days. Our theme for the 9th of February is Kindness with an emphasis on Friendship. On February 19, we have Sheltoons coming to our school for some special activities.

I have started to do the preparations to send out the tax receipts for the end of the month.

Thank you,

Elizabeth Luknar

Online Zoom Meeting

MEETING SUMMARY REPORT

Lester B Pearson School Board Parents' Committee

ATTENDEES: Representatives from 29 member schools, Mathieu Canavan, Colleen Galley, Steven Colpitts, Barbara Schneider, SNAC representative and 1 member of the public.

Presentation: Making Sense of the Tell Them For Me Survey

By Mathieu Canavan, Director of Educational Services

- Explained how it's built & how it's administered
- Highlighted the many uses: provides overall average results, general trends, tracking a cohort, how we compare to Canadian norms
- Encouraged the focus to be what the responses are rather than specific numbers

General

PC Chair proposed to create a band sub-committee for the Budget Consultation – approved.

Reports

Facilities: Lots of renovations planned this summer / Government is monitoring CO2 levels in schools and any issues are being monitored and addressed by the LBPSB / EDDI is always a focus when looking at projects.

Transportation: Bus strike is still ongoing. Important to note: this is between the drivers and the bus company and unfortunately the board has no influence on the situation.

Governing & Ethics: Reviewing Bylaw 9

Administration: There will be some money from the government to support the schools due to the strike – the board is currently planning how this will be allocated within the government guidelines. / LBPSB scored generally higher than provincial averages when it came to final exams for the 2022-23 year and LBPSB leads the way with their EDDI focus.

EPCA: Please register for the newsletter / There will be upcoming workshops / There will be a survey on band – PC members to please fill this out.

Community rep report

The February month is relatively low in optimist activities.

Les matins ensoleillés

We have a program that is running from September to June, it's called "les matins ensoleillés". It's a program that we have been running for more than 10 years. With this program we provide groceries to school for students in need. We work with IGA famille Viau for the purchase of the food. We provide food for students of the following Vaudreuil-Dorion's schools; Pierre Elliot Trudeau, St-Jean-Baptiste, Ste-Trinité, and St-Michel. We work with either special aids or day care at the different schools to provide us the weekly needs. Charles-Alexandre Durocher is the club member that is managing the program. We collect and spend 3500\$ annually for this program.
