SEED Governing Board Report

March 11, 2025

I hope everyone had a restful and fun March break!

Our theme for the month of February was Finding Kindness and Black History Month.

Kindergarten created some groundhog puppets for Groundhog Day and spoke about hibernation. They also created some beautiful heart necklaces and in honor of Oscar Peterson, their hands playing on the keyboard of a piano. Some mornings, they started their day listening to some jazz by Oscar Peterson.

Grade 1 looked at inventors and their craft was "Color the World with Kindness". They also observed Pink T-shirt Day by taping little pink t-shirt cut-outs on the first-floor lockers. Also observed was the Chinese New Year.

Grade 2 made some really nice Valentine's Day bookmarks, very colorful hands for kindness, and learnt about George Crum who invented the potato chip.

Grade 3 made a beautiful Valentine's Day bouquet card with a lot of kind sayings. They spoke about friendship, made friendship bracelets, and played cooperative games.

Grade 4 spoke about kindness and then made kindness jars with kind sayings.

Grade 5/6 were busy with observing Groundhog Day, making Hands of Kindness cards, Change the World handprints, and the Freedom Train.

On the February 7th ped day, we went to Funtropolis. Both the students and educators enjoyed their day.

The February 17 ped day was cancelled due to the extreme weather we had.

March 24's ped day has now changed to a ped day that is open to SEED Program students. All the planning that was put to the February 17 ped day will now be moved to the March 24 ped day. Sport Life will be coming to the school. There are no changes to any of the fees.

Respectfully,

OTHER INFORMATION TO SHARE

• • •

Student Evaluation Policy Re-Write

- Policy rewrite being driven by Educational Services Department and Chaired by the Director of Educational Services.
- When the draft is complete and has gone through the necessary internal process, it will go out for a public consultation for feedback.
- I am on the committee working on the draft.
- Anyone with any feedback on what should be included, what issues it should address, or questions it should answer, is invited to contact me. Feedback is confidential and diverse perspectives are welcome. This includes students, staff, and parents/guardians.

Addressing Anti-Black Racism in Schools

- This issue is not new and the board, as well as council have taken actions over the years to help address discrimination in our schools and centres. This includes, among many other initiatives and actions:
 - Banning the N-word in all LBPSB schools and centres
 - Creating a Task Force to investigate and create a report for LBPSB on discrimination in our board. The final report with recommendations can be found on the LBPSB website, under the Equity, Diversity, Dignity and Inclusion tab. <https://www.lbpsb.qc.ca/equity-diversity-dignity-and-inclusion/>. The tab is also new, and provides information on the task force, the recommendations, and the Annual EDDI reports.

Commissioner Report – March 2025

Respectfully submitted by Angela Berryman, Commissioner Ward 12
aberryman@lbpsb.qc.ca

- Making EDDI a standing item on all council committee agendas to help ensure that EDDI lens is embedded in all of council's work. In addition, subtitles are on for all online meetings to increase accessibility.
- Creation of a new LBPSB policy on EDDI <https://www.lbpsb.qc.ca/wp-content/uploads/sites/21/2024/10/2.19-Equity-Diversity-Dignity-and-Inclusion-Policy-2024-09-16-EN.pdf>
- Council takes the issue of student and staff safety very seriously and will be having a special caucus meeting to discuss ongoing challenges to both addressing and reporting instances of racism, discrimination and by extension, bullying.
- Although council cannot get involved in the day to day operations of the school board, council is looking to better support the community in addressing the challenges that student, staff and their families face when reporting or managing instances of discrimination.
- I welcome anyone from the community that has suggestions, feedback or experiences that they want to share to contact me. It can be their experience, or the experience of someone they know.
- Policies alone will not adequately address systemic problems. Community feedback is essential to better understanding the needs, struggles and expectations of the community.
- As always, any feedback is considered confidential and private information will not be shared unless permission is granted by the person sharing the information.

The next regular council meeting is **Monday, March 24th**. It is hybrid public meeting that will be webcast. If you would like to attend virtually, the link will be provided on the website. Every meeting has a public question period.

Les matins ensoleillés

We have a program that is running from September to June, it's called "les matins ensoleillés". It's a program that we have been running for more than 10 years. With this program we provide groceries to school for students in need. We work with IGA famille Viau for the purchase of the food. We provide food for students of the following Vaudreuil-Dorion's schools; Pierre Elliot Trudeau, St-Jean-Baptiste, Ste-Trinité, and St-Michel. We work with either special aids or day care at the different schools to provide us the weekly needs. Charles-Alexandre Durocher is the club member that is managing the program. We collect and spend 3500\$ annually for this program.

Souper spaghetti

We are preparing our next big fundraiser. Our souper spaghetti will be held on May 3rd at the cafeteria of the cite des jeunes. The ticket price is 22\$. Let me know if you would like to purchase some.

Opti Jeux

Another fundraiser will be held during the week end of May 17-18-19. Opti-jeux is a week end where board game players meet to play their favorite games, and find new gaming partners. A fee of 25\$ will allow you to play for the three days. Numerous games will on auctions. If you want to know more about this activity, feel free to ask.
